

bryyn - bald man riding on a tricycle

 Dmaj7? Gmaj7? A? G?
there's a bald man riding on his tricycle
Dmaj7? Gmaj7? A? G?
hair is flowing in the wind
if you see him riding on his tricycle
wave your hand in the air

Dmaj7?
wave your hand
Gmaj7?
wave your hand
Dmaj7?
wave your hand
Gmaj7?
wave your hand

 Dmaj7? Gmaj7? A? G?
there's a gray hound racing on a spaceship
hair is flow in the wind
if you see him racing on his spaceship
wave your hand in the air

wave your hand
wave your hand
wave your hand
wave your hand

grit your teeth like a thoroughbred horse
take the pills and they'll make you get worse
buy a princess on the street for a dime
can you walk the talk everyday, all the time

there's a pastor preaching to the people
hair is blowing in the wind
if you see him preaching to the people
wave your hand in the air

wave your hand
wave your hand
wave your hand
wave your hand
wave your hand
wave your hand
wave your hand
wave your hand
