Gm6 BflatDim  
tired of being alone

(repeat in same manner)  
tired of living this life  
tired of being a stone  
one morning ill wake up and see  
the truth in everything  
ill figure it all out  
and know who i am

all of this will pass  
seeds grass and trees  
everything we see

im so tire of writing songs  
tired of thinking what to say  
tired of what i am

will be forgotten and gone  
from dust we come  
and dust we go  
tired of living alone  
tired of being apart
